## Dinghy Sailing

Certain dinghy maneuvers involve getting wet so bring a change of clothes

### **CYA Basic Dinghy Sailing (18 hours) \$235**

One weekend of basic dinghy sailing will get you your CYA White Sail standards I and II and prepare you for Intermediate Dinghy Sailing.

### **CYA Intermediate Dinghy (18 hours) \$265**

Completion of White Sail III standard with an introduction to Bronze Sail theory. Prepares you for Advanced Dinghy Sailing.

### **CYA Advanced Dinghy (36 hours) \$475**

Two-weekend sailing experience introducing spinnaker and trapeze, as well as advanced sailing techniques and racing. Prepares you to challenge Bronze Sail IV and V standards.

## Basic Sailing

### **CYA Basic Cruising (28 hours) \$525**

(PCOC included) On-the-water experience builds basic boat handling, sail theory and safety techniques. First of four graduated CYA programs designed to equip you for ocean passages. Course graduates receive internationally recognized certification.

## Beyond The Basics

### **CYA Intermediate Cruising (5 days, live-aboard) \$945**

For the Basic Cruising graduate or sailor with equivalent experience. 5-day live-aboard course. Perform controlled sailing manoeuvres, prepare meals on board and pilot the vessel, as both skipper and crew, into an unfamiliar harbour or anchorage. Qualifies you for the internationally recognized CYA Intermediate Standard, the recommended minimum certification for bareboat chartering.

### **CYA Advanced Cruising (5 days, live-aboard) \$1050**

For the experienced sailor seeking to upgrade skills and develop extended passage experience, including round the clock sailing in a broad range of weather conditions. Develop technical and practical knowledge, including navigation and watches, cooking a meal underway and maintaining control of the boat in heavy weather.

#### **Prerequisites:**

- Intermediate Cruising or equivalent experience
- CYA Coastal Navigation
- Red Cross or St. John Ambulance Emergency First Aid Certificate
- VHF radio certificate (Restricted Operators Certificate)

## Corporate Sailing

Take your usual corporate event in a new direction with TEAM SAILING – on-the-water adventure in the heart of the city, customized to engage colleagues in INNOVATIVE, FUN & UNIQUE, partner-building partnerships. Simply provide our professional staff with your event objective, and we will customize the program to suit your company's specific requirements - and take pleasure in exceeding expectations!

### The Natural Alignments

#### **Leadership.**

Command the boat with the help of your crew.

#### **Communication.**

Keep lines open to get your job done.

#### **Teamwork.**

Co-operate as a crew to achieve results.

#### **Confidence.**

Perform under pressure; make decisions and carry them out.

#### **Challenge.**

Solve problems personally and as part of the crew.

### The Advantages

- A matched fleet of nine J24s, unrivalled in the local area
- Promotes natural communication because this truly is a team event
- A fun, outdoor event, with people harnessing the power of nature
- Location just minutes away from downtown business core
- A novel and exciting challenge for your group
- No experience required
- An inclusive event

Built into the programmes are free prizes, a medal presentation for winning teams, and a free team photograph. Your one call deals with all services, and custom-built packages allow for easy organization of a corporate program that not only guarantees fun and adventure for all, but allows you to meet your company's objectives with less hassle.

## Customized Experiences

We customize events to meet the specific objectives of your company. All events can be either 3 or 6-hour formats, accompanied by a qualified sailing instructor. No prior boating knowledge is required to take part.

### Cruising the Islands

If you prefer to cruise than race, we can set your team sailing on your chosen vessel. Colleagues and clients will enjoy a relaxing sail along Toronto's breathtaking skyline and islands, and take part under the guidance of our trained instructors. You dictate the pace.

### Scavenger Hunt

Become a Pirate of the Toronto Islands and piece together cryptic clues from your sea-worthy vessel as you hunt for treasure. This fun and adventure event makes pirates out of the most bashful of business men and women, and provides for an unforgettable team experience. And you won't have to walk the plank upon completion!

### Racing Regatta

This 'classic' event features a three-race mini regatta. As with all events, each team is briefed on the do's and don'ts of sailing, and then goes on to harness the exhilarating power of nature. They soon learn that communication is everything on the water; just as it is in the office. All positions on a boat are important – each is integral to the team.

# Boat Licenses

## Pleasure Craft Operators Card (PCOC) \$45

**Government legislation requires by law, all operators of any power-driven vessel – even a Personal Water Craft (PWC) – to obtain a Pleasure Craft Operator Card.**

### **Complete an accredited course and carry the card**

The basic requirement is to successfully obtain a Canadian Coast Guard accredited Pleasure Craft Operator Card issued by the Canadian Yachting Association (CYA). The card must be carried at all times while operating a power driven vessel (much like a driver's licence).

### **New Competency Regulations**

- All youth born after April 1, 1983 are now required to carry the card.
- Since September 15, 2002, anyone operating a powered recreational vessel less than 4 meters (13 feet) in length (including personal water craft) must obtain a Pleasure Craft Operator Card.
- As of September 15, 2009, all power-driven vessel operators must obtain a Pleasure Craft Operator Card.

## Toronto Harbour License (THL) (4 hours) \$99

To operate any power driven vessel in Toronto Harbour, you are required to have a Harbour License. This course is designed to give you the theoretical knowledge you need to be successful and includes a written and practical test. Previous power boating experience is required.

## VHF – DSC License (8 hours) \$119

“Victor, Zulu, X-Ray...” Learn to communicate on the VHF marine radio with Digital Selective Calling (DSC) and receive your Restricted Operator's Card (Maritime) – (ROC-M).

## Kids Summer Camps

Whether your children are curious beginners, keen intermediate or advanced sailors, our Sailing Camps are a perfect way for them to explore the challenges of the sport with the supportive guidance of our CYA-certified instructors. To register your child, or to receive a brochure, call **416 973-4093**.

## Licensing Package Deal \$199

This package includes Pleasure Craft Operator Card, Toronto Harbour License and VHF – DSC License.
